## W. H. CAREY'S EASY VICTORY

SHOWS HIS HEELS TO GOOD ONES IN QUEENS COUNTY HANDICAP.

Notasulga Wins the Canarsie Stakes in a Drive-California King Triumphs in the Winfield Steeplechase Handicap.

New York, April 20 .- W. H. Carey proved that he is a horse of good class by winning the Queens County Handicap today from the best horses that have gone to the post this season. Oxford, with a slight pull in the weights and with Miller up, was a well backed favorite, while W. H. Carey, though he had some support, was always as good as 7 to 1. Glorifier took up three pounds more than he carried in the Carter and was a lukewarm second The stable connections gave W. H. Carey substantial support. Trainer Blute said there would be "some funny figures hung out if W. H. Carey was beaten." He was a good horse today and Mountain handled him in faultless style. When Oxford and Pretension went away from their company on the turn, opening up a big gap, Mountain was not in the least perturbed, taking matters easily until well into the stretch, when he called on W. H. Carey. The horse ran into the lead without difficulty, winning as his rider pleased. Pretension made Oxford quit at seven furlongs, but held on himself to take second place. Good Luck came from far back to take third place. He should be a hard horse to beat at a longer route. Glorifier was never a real contender. W. H. Carey looms up as a great possibility for the Excelsior Handicap to be run next Friday, and for which his weight is 110 pounds, five pounds less than he carried today.

With a good card, including the Winfield Steeple and the Canarsie Stakes for two-year-olds and greatly improved weather conditions, an immense crowd turned out. Notasulga won the Canarsie Stakes, but Master Robert, the favorite, and what looked like her most dangerous contender, had his chances destroyed when Frizette carried him out on the turn. Notasulga, however, has established her claims as a filly of high quality and it is to be expected that Albert Hamel and Henry Brulatour, her owners, will be in receipt of renewed offers for her, though it does not follow that the daughter of The Commoner will change hands.

"Notasulga is well engaged for the season," said Mr. Brulatour Thursday evening in speaking of the offer of \$12,000 that had been made for her, "and I would prefer racing her for a while at least. Among other engagements she is in the Futurity, and in my opinion she is one that is sure to im-A filly of her size and as good a doer as she is cannot be found every day.

"Of course she only beat fillies when she raced in the Rose, and I want to see just what she will do when she meets both colts and fillies in the Canarsfe. She won from Frizette just as easily as Frizette won from her company today, and I am more and more convinced that she is all I had

'In my opinion she will show to even better advan tage when Belmont is reached, for here at Aqueduct there is just a trifle too much cushion to the track to suit her exactly. She wants a harder sur face and I know she has not yet shown her best cost \$5,000 and has long since paid for herself. She cost \$5,000 and has been some and the figure 1'll sell, but it will be at my price and the figure 1'll sell, but it will be at my price and the figure. will be named after she wins the stake Saturday.

California King, the four-year-old gelding taire II .- Candid, making his debut through the field, won the Winfield Steeplechase Handicap for Thomas Hitchcock, Jr. It was likewise the first winning mount for Nat Ray this year. He had ridden but once previously, at Benning, when he finished third. California King fenced perfectly and came away with a fine turn of speed after he had taken the last jump.

George Mountain, the Chicago boy, is making good in great shape here. His riding at Benning ea for him a host of admirers and the ranks of his followers have grown appreciably at Aqueduct this first week. Out of ten mounts he has ridden four winners, three of them in stakes. He won the Carter Handicap on Glorifier, the Arverne Stakes on Okenite and the Queens County Handicap on W. Carey

In the fifth race Evelyn G. fell in the stretch and Englander, who had the mount, came out of the mix-up with a broken collar bone

Joe Marrone has decided to give Buttons a couple of months rest, during which time he will be

The Burns Brothers, Guy and Willie, have re-eined the establishment of W. C. Daly. It is said their father and mother have reached an agreement and that the lads will now be able to ride in peace.

W. H. Laudeman, the Lexington bookmaker who owns Hot Toddy and other good horses trained by Kimball Patterson, has arrived from Kentucky to remain throughout the season

The Union Stakes is the chief race for Monday in value, but the other races are attractive and with a probability of an improved track and such horses as Irish Lace, Gold Foil, Kerry; Sunshine After Rain, Dulcian, Tom Cogan; Dr. Gardner, Dolly Spanker, Athlete; Berkeley; Molesey, Killochan; Tim O'Toole, Cinna, Trenton Blue; Senator Beckham, Hands Around and Rosario among those likely to go to the post, the outlook is for excellent racing and the usual big attendance.

J. Lee, now under contract to J. B. Respess, has been engaged to ride Ovelando in the Kentucky Derby.

BIG CROWD SEES SPORT AT PIMLICO. LOS ANGELES WILL HAVE RACING.

Feature Races Are Won by Dr. Keith and Quadrille-Exciting Finishes.

Baltimore, Md., April 20.—Pimlico's spring meeting opened this afternoon with quite a flourish of trumpets. A big turnout of the best element here gave tone to the occasion and the grandstand and lawn were packed. Much of the old time sentiment still hangs around racing in Baltimore and the best people of the city give the local track their patronage. The racing today was satisfactory in every particular. The fields were large, the starts good and the finishes exciting. The first brought out a good field of sprinters, in which Will Shields' Diamond was made a warm favorite at 7 to 5. Diamond as usual, was on his bad behavior at the post and gave starter Dade no end of trouble when the barrier went up. He was off poorly and could never get to the front. Preen took Strome easily took second place from Tickle. The second race for two years older second race for two-year-olds was taken by Garth's Merry Man, which led from the start, just lasting enough to beat out Glorious Betsy. Blember, the favorite, ran a poor race.

A big field started in the third race, but the issue was always between Euripides, Wabash Queen and Azelina. Euripides, as usual, set the pace-but when he was challenged in the stretch, gave it up, leaving Wabash Queen and Azelina to fight it out. Azelina outlasted Wabash Queen and won easily.

The Green Spring Valley Steeplechase was one of the features of the afternoon and resulted in a rattling good race. Kara opened an even money favorite, but at post time the Daly gelding was at 2 to 1 with Dr. Keith. At the start Kara made the running and set a warm pace. Mr. Taylor, on Rocket, forced Kara out for the early part of the soon dropped back, leaving the real but contention to Dr. Keith, which was fencing splend idly and running well within himself. Two jumps from home, Dr. Keith went up to Kara and it was The Dudley gelding coming on, all over in a jiffy. won with much in reserve. Kara was tiring badly at the unish.

The fifth race, the Baltimore Cup, brought out the gentlemen riders and was a race of much moment to the swell set. Quadrille, on paper, seemed a cinch and 1 to 3 was the best the book-makers would lay. Quadrille won, taking the lead on the stretch turn after Idle Dream had made the pace. Mr. O'Brien took matters easy at the the pace. finish and The Cricket, coming with a rush at the end, came near to stealing the race.

Graziallo won the sixth race just as his released after indulging Midas with the lead

Graziallo won the sixth race just as pleased after indulging Midas with the lead for half the journey.

The last race was something of an upset, the 10 to 1 shot. Akbar, beating out the hot favorite Anna Smith, which could only get third, losing second place to Parkville.

The weather was clear and the track fast. Twenty-three bookmakers drew in and they had all they could do to handle the money. Several more could have done a profitable business.

The two-year-old Possum, owned by Sam Hoiman, broke a leg in his work this morning and was destroyed.

Jockey Fairbrother was set down for ten days for incompetency at the post.

A good card has been provided for Monday afternoon and with such useful horses as Black Mask, Awless, Dick Rose; Lotus Eater, Bobbie Kean, Ormonde's Right; Wabash Queen, Euripides, Thistle Do; Mooksie, Incantation, Guardian; Belle Strome, Tudor, Tickle; How About You, Ida Reck and Lucy Strome showing in the entry lists, good racing is in prospect.

## LEXINGTON TRAINING NEWS.

Lexington, Ky., April 20.-Two of the most creditable workouts of the two-year-olds at the Ken-tucky Association track this week were by Joan Marrs, in Walter Grater's stable, and Richmond Duke, trained by Jack Williams, both doing a half mile in hand in 50 1-2, with stake weights up. John Marrs is a son of Jack Point, out of the dam Ath lone, while Richmond Duke is a son of Russell, out of Richmond Hill, by Esterling.

S. C. Lyne has a stable of eight horses in training at the local track and is superintending their training in person. He thinks highly of the two-year-old Coaster, by Prince of Melbourne—Long Shore, dam of Applegate, Kitefoot and Winged Feat.

W. A. Smith's best two-year-olds are Bingen, by Baldur—Loysa; The Rebel, by Streamer—May B. II., and Friar's Pet, by The Friar—Petrolene. The latter is a gelding and the colored rubbers at the track call him "Smith's Salvidere."

Jockey Swain is a recent arrival here. W. A. Smith & Co. have first call on his services during the spring meeting.

Eastern racegoers will not see Dainty Dame this season until after the running of the Oaks and Queen City Handicap at Latonia. No mare has been trained here in years that has impressed horsemen as much as this daughter of Handspring. Dutch Barbara, owned by J. S. Stoll & Son, was bred to Nasturtium a few days ago at The Meadows. Her last start was in the Queen City Handicap at Latonia last season, where she finished second to Sir Huon. She met with an accident while running out at The Meadows and her owner was compelled to give up his plans of making an eastern invasion with the daughter of Fiying Dutchman this season.

Of the fourteen mares in the stud at Balgowan Farm of Captain T. J. and G. H. Clay, eight have already foaled, four others will shortly foal and only two of their stud matrons have proven barren this year. The foals so far dropped are:

"If Not at Ascot, We Will Race at Another Location," Says Manager Brooks.

"That the management at the Los Angeles Jockey Club entertains no idea of going out of business because of hostile legislation by the city council was made plain recently by J. W. Brooks," says the Los Angeles Evening News. "The manager of Ascot said in a speech at the baseball banquet last week that there would be racing under the auspices of the Jockey Club next season as usual. 'I want to say that we will have racing in or near Los Angeles next season,' said Mr. Brooks, 'despite all reports to the contrary. If we do not race at Ascot, we will race at another location, convenient to the and it won't be at Arcadia, either.'

'This is the first intimation of the intentions of the Jockey Club, and as it comes from an official source and was a brief and unqualified statement, it may be taken as an indication that the Ascot management will proceed with its plans for building another track, which will be located across the line in the county and in a location that will be outside the zone contemplated for annexation to Los Angeles.

"It will be good news to horsemen throughout the The sport of kings has been legislated out of existence in so many states and has been under fire in California for so long a time that horsemen had begun to believe that within another year they legislated out of the United States and forced to race in Canada and Mexico. That the nostile ordinance recently passed by the Los Angeles city council will not materially affect the prospects winter racing at Los Angeles is the best news horsemen have heard in a long time.

"Persistent rumors all last season credited the Ascot management with the intention of building a track at Watts, and this begins to appear to have much foundation in truth. Watts is located on the Long Beach line of the Pacific Electric, which removes much of the inconvenience of shipping horses from the railway station to the track, Soil con ditions are favorable to track building, while, because of the small amount of grading that will be required, a track could be built in a remarkably short time. If the track is built at Watts, the buildings now at Ascot would be removed, including the stables and horsemen's cottages, and thereby result in quite a saving to the Jockey Club. locations have been considered by the Jockey Club, but Watts seems to hold the edge on the other locations. Venice was prominently mentioned last winter as the probable location of the new track, but George Rose is of the opinion that the soil conditions are unfavorable. In addition to this objection the expense entailed in building a new grandstand, paddock, stables and other buildings would be so great that it is probable that a location near Ascot will be the selction.

"Regardless of location and the doubt which has prevailed since Ascot was brought into the city limits, it is now assured that winter racing will not be abandoned in or near Los Angeles, nor will it be In fact, with the statements of Brooks as an indication of intentions of the Jockey Club and the interpretation thereof, meaning that the Ascot of today will be the Ascot of another location next season, the future of racing in the southwest seems fully assured.

"It is not believed that the county supervisors will take any unfavorable action against a county racetrack, and should such a contingency arise it will be an easy matter, if the track is not located within the corporate limits of any city, town or village, for the Jockey Club to establish a village of its own and control its own destiny until adverse legislation is enacted at Sacramento. It is probabl that if the track is located in the corporate limits of Watts, an agreement will be reached whereby the Jockey Club will be protected against hostile action, otherwise the track will not be built there The definite sum of the whole situation is that there will be no interruption of racing in or near Los Angeles, at least for two years.'

## POOLROOMS QUIT BUSINESS.

New York, April 20.-The Pinkertons have suc ceeded in shutting off the information from the poolrooms so effectively that it was said yester day that many of the rooms had closed down. The tower back of the track was not used at all, while the houses near it were vacant. It was unnecessary to hoist the canvas screens today. The poolroom agents who tried to carry news out of the track between races have thrown up their hand in dismay, for the reason that the Pinkertons were on the alert and refused to allow the agents to get back through the entrances. The Jockey Club intends to keep up the crusade all season, and if it is as hard to secure the desired information at the other tracks it is said that the city rooms will go out of business permanently. Many room keepers are already booking in the big ring and in the

## STEEPLECHASING AT MONTREAL.

Montreal, Que., April 20.—The Montreal Jockev Club has one of the most perfect steeplechase continent. Old-time riders Brazil and Eddie Kelly, who rode over it last fall, said that they never saw its equal. At this coming meeting the club will give as many steeplechases as the number of jumpers on the grounds will warrant. Jumping races every day will suit the club if there is enough material to fill such races and the cross country part of the sport promises to be one of the great features of the meeting. The club wishes all owners to know that not less than \$400 will be added to any over-night event.

## LOGISTILLA WINS FEATURE.

GOVERNOR ORMAN AND FRED BENT UPSET BACKERS AT OAKLAND.

The Stewards Are Investigating Their Running-Barney Schreiber Prices Sir Hercules to Australians for \$25,000.

Oakland, Cal., April 20 .- The handicap at one mile and an eighth, the feature of to-day's interesting card, was won in a furious drive by Logis-tilla, this season's queen of the local turf. Sam Hildreth sold the Locohatchee mare recently to W. H. Hoag & Co. for \$4,000, and her present owners profited handsomely on her first victory in their colors. In view of Logistilla's previous indifferent showing the public was surprised at the short odds accepted by the stable.

Proceedings commenced with a double-barreled reversal of form involving Governor Orman and Fred Bent. The former, which was unable to raise a respectable gallop in his previous race, was able spreadeagle his vastly superior opposition to-day. The latter, on the strength of good form during the past fortnight, was backed into hot favoritism but ran as if waterlogged. The stewards are

A big half holiday throng was in attendance but a majority failed to profit by their ring operations. Only a select few backed the two favorites Both receded in the betting were successful. and this fact particularly scared off intending backers of the McCafferty mare, Nine Spot, in the third.

'Shorty" Kendall, a Goldfield miner, monopolizes attention in the betting ring. The plunging miner has been quite successful of late.

C. B. Irwin is a recent wealthy recruit to the urf. He has acquired a stable of nine horses, including Laura F. M., and they will be immediately shipped to Denver and raced there at the spring meeting.

Mrs. Joe Harlan, wife of the bookmaker, died

today after a brief illness.

The stewards have been asked to settle differences between owner Van Dusen and his jockey, Gross, involving a contract on the latter's services.

Barney Schreiber received a cablegram from Australia yesterday asking him to put a price on his English stallion Sir Hercules, and he named \$25,000. Mr. Schreiber and C. E. Durnell are joint partners in the recently acquired contract on the services of the promising lightweight jockey, E. Dugan. Lee were paid \$5,000 cash for it.

Pagan Bey showed speed and fenced well but tired and seemed hardly up to a hard race. Drone was in front at the seventh jump, where he stumbled, unseating Finnegan.

### SHENKLE'S BUSINESS METHOD

made \$72 past week on a capital of \$54. Proof at office or by mail. You can make what we do and prove all we advertise if you get our method. Only possible way to make money at racing with reasonable capital. Sent on trial with guarantee to refund money if not as represented or failure can be shown. Because you have been "faked" is no reason something of value cannot be found. We have it, and have used it 5 years. It is plain and simple, anyone can understand it. We warn you again that you must order if you want the method for \$5. We will raise price. It should be \$100. Write or call, 9 to 1 o'clock. I have something special for all who can call this week. S. A. SHENKLE, 36, 84 Washington St., Chicago, Ill.

### THE DAVIS METHOD

wins on favorites, newspaper selections, stable tips, guesses, handicapping, or such freak methods as selecting by sticking a pin in entry, post position, etc. The fact that it stands about forty straight losses makes it the most formidable method known. Can be played in handbook, poolroom, or track. Has been operated at the accetracks and poolroom since Nov. 1st, 1905, winning \$30,000 for the player, and during this peroid a workout on form-sheet handicapping won \$28,000, upon which it sustained 28 consecutive losses. This method can be played with small capital as well as a thousand dollar capital, thereby making it the most practicable system ever devised, especially appealing to the small bettor, who, with his limited capital, can earn a steady, handsome income without fear of losing his original amount. The handicapping method I recommend to be used, wins on flat bets and gets 40 per cent. winners. With each system I send a guarantee and sworn statement that it will do what I claim or money refunded. Limited number for sale. The originator is selling it for the purpose of raising money to operate on an extensive scale. Price, \$1000. Address,

## My Specials Seldom Fail TO LAND THE COIN.

I have been before the public every day for the past eight months and have made a reputation that no other Chicago tipster has ever enjoyed. I claim only what I give and those who have been dealing with me admit that when it comes to handing out winners consistently I stand out as far over the others as Pikes Peak does over an ant hill. Any one who has had experience playing the races will tell you that the only way to round up high class information is by a great expenditure of time and money. That is where I come in. The best is none too good for Bill Lester's clients. I am always the highest bidder in the good thing market and secure information that other folks can't touch. If you want a square deal and the kind of goods that pays subscribe to my service at once. Every day this week should-be a gala one for my followers. I have been before the public every day subscribe to my service at once. Every di week should-be a gala one for my followers.

with equal results. Selects plays from the entries. This system has received nothing but favorable comments from those who have purchased it. Hundreds of unsolicited testimonials expressing great satisfaction.

A positive WINNER The Control of th

faction.

A positive WINNER. The system does not play a very race. An average of eight plays a week. No tips, handicapping or "doping" required. Not complicated, but easy to operate. BIG RESULTS obtained from SMALL CAPITAL. UNLIKE any other system; new theory; new thoughts; new ideas. GREATEST winning system. Will do more for you than all selections, information, handicapping and tips combined. A positive fact.

## WRITE FOR FREE BOOKLET.

Tells all about it and what it will do. Only system sold with a guarantee. Purchase money at the end of 30 days' trial if a loss is shown. This alone precludes the NOXALL SYSTEM from being a scheme. Investigate at once by writing for particulars.
